CHRISTMAS IN BALI

11 NIGHTS (SUN - THU)

19 December 2010 - 30 December 2010
Fremantle to Fremantle

There will be plenty of Christmas cheer onboard Athena. Set sail from Fremantle on a relaxing cruise to Christmas Island and Bali, where you will enjoy Christmas Day. Let us take care of the celebrations, our crew delight in dressing up the ship with plenty of tinsel and Christmas decorations to create a festive atmosphere onboard. Behind the scenes our chefs take great pride in preparing a traditional Christmas Day feast along with all the trimmings, but the most important part of Christmas is the sense of belonging and family which comes from travelling on Athena. Whether travelling with family, old friends or new, all the fun, adventure and excitement you experience will make this an extra special Christmas to be treasured for a lifetime.
