BALI DELIGHTS

11 NIGHTS (MON - FRI)

14 November 2010 - 19 December 2010
Fremantle to Fremantle

Combine the pleasures of cruising with the allure of Bali and you have the perfect holiday. Athena gives you more time to spend in Bali and with three days in port there is plenty of time to shop as well as explore this beautiful island. From the lush green rice paddies to the hustle and bustle of the market places, you will have time to experience all aspects of Balinese life. Beautiful temples abound and a visit to magical Tahah Lot Temple built high on a rock in the ocean is a must. The opportunity to purchase unique handicrafts and perhaps an elephant ride will complete your Balinese adventure.
