## 2010 - 2011 Australian Cruise Program

### SOUTHERN EXPLORER

11 NIGHTS (THU - MON )

27 January 2011 - 7 February 2011

Fremantle to Fremantle

You're invited to join Athena's fabulous eleven night cruise from Fremantle to South Australia. First port of call is the beautiful coastal city of Port Lincoln on the Eyre Peninsula which, like Kangaroo Island, was discovered by Matthew Flinders. Port Lincoln is today called the "Seafood Capital of Australia" and rightly so. There is plenty of time to spend a leisurely day ashore exploring on your own or you may like to take the opportunity to join one of our optional shore tours designed to take in the highlights of the area. Next port of call is Adelaide 'The City of Churches', where you can take a tour to the Barossa Valley wine region and sample some of Australia's best wines.
