## 2010 - 2011 FAR EAST CRUISE PROGRAM

### HONG KONG TO SINGAPORE

#### 12 NIGHTS (Wed – Mon)

23 March 2011 – 04 April 2011

Hong Kong – Singapore • Cruise PD 16

After departing Hong Kong, Princess Daphne will cruise past the Chinese Hainan Strait before visiting Ha Long Bay in Vietnam, where we have arranged a great shore tour, a cruise on Halong Bay.

Next we make for Sanya, or the 'South Gate of China', providing a really unique way to experience China in this tropical setting. The Vietnamese city of Da Nang, with its rich history and culture, is our next visit. Why not enjoy the full day tour of the Hue Imperial City that has been arranged by the Shore Tour Office? This one is a must.

From here Princess Daphne spends a day in Nha Trang before heading to Ho Chi Minh for an extended overnight stay that will allow you to maximise your study of this interesting city. Make the most of the opportunity to tour the Cu Chi Tunnels and the Mekong Delta.

Two days before arriving in Singapore we visit the Cambodian city of Sihanoukville where you can sample first hand the Cambodian way of life.
